Experience Onsen

Onsen (natural hot-spring bathing) in Japan has a very long history and is an integral aspect of Japanese culture and lifestyle. Intended not only for relaxation, onsen also offers beneficial treatment for such conditions as neuralgia, arthritis, sore muscles, and stiff shoulders. Please enjoy the total cleansing and purifying experience that onsen provides for both mind and body. Cast your worldly stress aside!

◀ Out door bath "Kirara"

Shimoda Yamatoka

Ideally located on the seashore overlooking the pristine white sand of Tatado beach, Shimoda Yamatoka affords immediate beach access only a few steps away. All of our rooms offer stunning seaside views of magnificent scenery. Moreover, the Ministry of the Environment has analyzed the water quality of local bathing beaches and rated it AA.

Sailing boat spa "Mermaid"

Jacuzzi

Relax in Japanese-style room and indulge yourself in a private open-air bath.
