[Renewal Construction Guide]

Construction Information:

- Renewal construction of some guest rooms on the 3rd floor
Some guest rooms on the 3rd floor will be renewed, and a new barrier-free guest room with an open-air bath will be constructed.
- New Dining Room Construction
The 3rd-floor banquet hall will be renovated, and a new dining room will be constructed.

Period: Tuesday, October 9 - Thursday, October 2018 (Estimate)

<<The following may be expected during your stay due to the construction.>>

[Between October 19th - October 31st]

- A crane will be operating between 10:00 and 15:00, and may affect the view from your room.
- There will be a crawler excavator operating between 10:00 and 17:00. You may hear noises in your room between these hours.
- Two to three days where you may smell paint while outside between 10:00 a.m. - 3:00 p.m. (Date to be determined)

[Between October 19th - December 20th]

- You may hear construction noises in the lounge.
- You may hear drilling and other construction noises between 9:00 and 17:00.

In order to minimize customer inconvenience during the construction, we plan to complete any construction procedures that involve loud noises whilst the entire hotel is closed.

Thank you for your cooperation and understanding.
